

PEACHTREE RIDGE

## Lobby & Exterior Renovations Complete!

The renovation of the lobby at Peachtree Ridge seeks to capitalize on the property's surrounding lush landscape and tree canopy. Envisioned by Vickers Design Group, the design creates a fresh, new aesthetic throughout the lobby. Expansive glazing on the lobby floor grounds the design while maximizing the flood of natural light that filters through the two-story windows. Updated finishes, new lighting and contemporary artwork complete the welcoming environment for new and existing tenants. Merit Construction Company is lead the renovation.
